

Bexhill Academy Uniform Requirements

All of the items below are available from Super Stitch 86. We have divided the list into compulsory items of uniform and optional items of uniform. We have also included some of our top tips to help guide you through. Further information on sizing etc can be found on each product page.

COMPULSORY

- **Navy Blazer with logo & Burgundy trim**

The blazers are available in both girls and boys styles, please purchase your preference but please take care as we will not be able to exchange this garment if you change your mind or have made a mistake once it has been worn.

- **Tie**

You will need to know which of the houses the student will be a part as the colour of the tie represents the respective house group.

- **PE T-Shirt with logo**

These are all unisex and the same for all students so you only need to choose the size.

- **PE Bottoms with logo (shorts, tracksuit bottoms, leggings)**

A decision to make...all of these items are available but it isn't necessary to purchase them all unless you wish to cater for multiple eventualities. You will be required to have one PE bottom but which one (or two if you wish), the choice is yours.

- **Skirts (with logo) & Trousers**

Skirts are navy and have the school logo embroidered. Girls can opt for trousers should they prefer, these need to be navy and can be slim fitting but skinny trousers, leggings or denim are not permitted. Boys trousers should be navy. Slim fitting trousers will be permitted but not skinny or denim. We have a fantastic range of boys trousers available in many different fits.

- **Navy Sports Socks (no logo)**

It is a requirement for students to have a pair of Navy sports socks (football or rugby style preferably). We sell a really hardwearing professional standard Macron sock at Super Stitch should you require these.

- **Navy Backpack with logo**

A compulsory item for Year 7 & 8. This backpack features the school logo and is ergonomically designed and practical for the students needs.

- **Formal Shirt/ Blouse (no logo)**

These can be worn long or short sleeve and are not embroidered with the school logo. These items can be purchased either from Super Stitch 86 or an outlet of your choosing. YEARS 7 & 8 MUST WEAR A LIGHT BLUE SHIRT, YEARS 9,10,11 MUST WEAR WHITE SHIRTS

OPTIONAL

- **Navy V-Neck cotton jumper with Burgundy trim**

The unisex jumper is used for extra warmth under the blazer, not instead of the blazer. The blazer can be worn without this item underneath if you wish. The garment is 100% cotton and not bulky so that it remains comfortable as an additional layer. This is an optional item but it is the only jumper permitted should students wish to wear a jumper.

- **PE 1/4 zip with logo**

This unisex, training top is used for a bit of extra warmth. It is the only outer layer permitted for PE but if you don't think you require one or will come back later when it gets a bit colder, then it is optional, so that's fine.
